A BOUT ME.

Graphic designer
specialized in corporate
communication and
editorial - portrait
photography.

My passion is to communicate
trough images and design
pieces the essence of an
idea that can reach people
in a simple and efective way.

Being part of the business
development process in
different companies and
generating content, has
given me the opportunity to
be propositve, curious and
find creative ways to help
and improve my service
skills for the whole
company, letting me to work
autonomously and in a team
player role.

Interest Areas:
Communication.
Corporate and editorial
design.
